

About the Lecturer

Dr. Henry Kwek Swee Nguang

Diplomate, International Congress of Oral Implantologists
Fellow of the Academy of Medicine (Singapore)
M.Sc Periodontology (London)
B.D.S. (Singapore)

Dr. Kwek practices Periodontics and Implant Dentistry in his dental surgery office in downtown Singapore and is also a Visiting Consultant at The Medical Centre, Gleneagles Hospital. He is a Diplomate of The International Congress of Oral Implantologists and a Fellow of the Academy of Medicine, Singapore. He completed his Masters Degree (Periodontology) in Eastman Dental Hospital, London after receiving his Bachelor of Dentistry in Singapore. Dr. Kwek is a member of The Academy of Osseointegration, practicing Implant Dentistry since 1985, when he organized and participated in the first Implant Seminar in Singapore. Most of his dental implant training comes from certified courses and lectures in USA and Europe. Besides periodontal and implant surgeries involving GTR / GBR (Guided Tissue/ Bone Regeneration) techniques, Dr. Kwek also restores most of the prosthetics in his implant patients. Currently appointed as a 3i Australasian Mentor, he lectures extensively in Hong Kong, Thailand, Malaysia, Singapore, Indonesia and Vietnam.
